

Welcome to our Monthly Newsletter – July

This newsletter contains details of our upcoming July publishing for Collins, as well as information on marketing activity.

Upcoming Publishing

Education

A brand new series, *Enriching English* introduces two new books *Enriching English: Curriculum with soul* and *Enriching English: Pedagogy with heart*. These practical guides for English teachers and leaders offer practical advice for developing English curriculums at Secondary.

Reference

Collins Scrabble creates a new range of educational and fun Scabble books, with *Scrabble™ Junior Spelling Activity Age 5-6* and *Scrabble™ Junior Spelling Activity Age 6-7*; ideal for engaging children with colourful pictures and fun anagrams and crosswords.

New Puzzle Quest books join the series, with even more themes to explore. Keep young learners engaged with the fun book *The Treasure Train* or more relaxing adventures with *The Giant Garden*, perfect for keeping inquisitive minds busy.

Out of Print

To find out more information about the titles that have gone out of print in June, [click here](#).

Product Sessions

Don't miss out on Rob Thompson's product sessions for Reference and Education on zoom, sign up here: [Reference & Education](#). See past sessions [here](#).

Make sure to join us on July 12th for Reference and July 13th for Education.

Once you sign up to a session, do ensure you sync the meeting to your calendar, you can do this by adding it via the confirmation received from zoom.

Password to access both zoom sessions is: COLLINS

Marketing Updates

Webinars

Collins International hosts webinars for teachers to attend from international schools. These webinars take place every month from October through to April. [Check out our website](#) where we host all upcoming webinar content and past webinar links.

New webinars will start up again in September 2023. Take a look at some of our past webinars.
